### **The Be - Attributes 2 - Take Responsibility**

"If it is to be, it is up to me" is a quote attributed to American painter William Johnsen (1901-1970) and this is so true. To be, or not to be, is down to the role played by me: taking responsibility is the key to being whatever we aspire to be, or would like to do.

All of the attributes shown in January's 'Be-Tree' can be encapsulated within the idea of responsibility. We must therefore hold ourselves responsible and accountable for the events of our lives which we have control over, and stand up to the challenge. We must therefore not postpone our duties, or expect others to take them on. Instead, we must make ourselves do what we have to do, regardless of the effort required.

I encourage you to do what you ought to do now; do your study, take that course, seek the help you need; make it a point of duty to be committed and consistent with your studies, lessons, homework, and so on. Act now, without further delay.

Make that move!

SOON

# HH Marketplace

## Your One-Stop Shop for Success!

We're excited to announce that in 2025, we will be launching **HH Marketplace** – the brand-new online store from Higher Heights!

HH Marketplace will provide access to a wide range of books: academic, personal and professional development resources to support learning and achievement at every stage.

From textbooks and revision guides to workbooks and subject-specific learning tools, HH Marketplace is your go-to destination for enhancing your path to success.

**STAY TUNED FOR UPDATES  
AND SNEAK PEEKS**

**FROM 6TH FEBRUARY**

**88 days until GCSE  
A Level exams start**

## Plan smart, start early

Here are some tips to get you started as you work towards your exams

## Understand the Exam Format & Requirements

Look at the exam board specifications to understand what topics will be tested. Be clear on their format, so you know what to expect.

## Assess Strengths & Weaknesses

Do a quick review of all topics to see what you already understand and what needs more work. Use the traffic light system (● = confident, ● = needs work, ● = struggle) to track subjects and topics.

## Gather Resources & Materials

Organise class notes, textbooks, and revision guides. Download past papers and mark schemes from exam board websites.

## Plan a Study Routine (Without Overloading)

Make a realistic revision timetable (if you do not have one already) but keep it flexible for the moment.

Set small, achievable goals, like reviewing one tricky topic per week.

## Get into Good Study Habits

Start practicing active recall (e.g., summarising notes, testing yourself). Find a revision style that works for you—whether it's flashcards, mind maps, or voice notes. Build a consistent study routine to make revision feel manageable, not overwhelming.

Motivational Moments

*"If you take responsibility for yourself you will develop a hunger to accomplish your dreams"*

# KNOWLEDGE ZONE

## No Calculators!!! Quick Fire Maths

*Set a timer and test your speed*

1

If a car travels 57 miles per hour, how far will it travel in 4 hours?

2

What is 18% of 350?

3

Add 345, 678, and 1,234

4

What is 25% of 200?

5

Multiply 36 by 19

6

A train travels at 80 kilometers per hour. How long will it take for the train to travel 240 kilometers? After that, the train slows down to 50 kilometers per hour for the next 160 kilometers. How long will the entire journey take?

7

Add 56, 93, and 27.

8

You have 3 packs of pencils. Each pack contains 24 pencils. How many pencils are there in total?

9

Subtract 57 from 250

10

What is 5 to the power of 4?

### ANSWERS FROM OUR LAST EDITION

WHAT AM I?

1. MATTER

2. WAVE

### **Our Vision**

To create a virtual learning environment that fosters growth, confidence, and success as we challenge, motivate and help our students to achieve their set objectives.

### **Our Mission**

To provide a comprehensive range of products and services designed to support both students and tutors in their educational journey.

### **Our Core Values**

- ★ Excellence
- ★ Integrity
- ★ Responsibility
- ★ Critical & Creative thinking
- ★ Collaboration
